6 EXPLANATION

7 The inclusion of this explanation does not constitute agreement with
8 the explanation's substance by the members of the general assembly.

9 Currently, under Code section 235F.1(17), "vulnerable elder"
10 is defined as a person 60 years of age or older who is unable to
11 protect himself or herself from elder abuse either as a result
12 of the person's age or as a result of the person's mental or
13 physical condition. This bill modifies this definition to
14 provide that a "vulnerable elder" is a person 60 years of age
15 or older who is unable to protect himself or herself from
16 elder abuse as a result of both the person's age and mental or
17 physical condition.
